LOL ! [laugh out loud]

During break time at obedience school two puppies were talking. One puppy said to the other, "the thing I hate most about obedience school is you learn so much stuff and you'll just never use it in the real world"

The Lighter Side!

Three women were discussing the upcoming dance at the parish senior citizens club. "We're supposed to wear something that matches our husbands hair," said the first, "so I'm going to wear a little black number." The second said "I'll be be dressed like "the lady in red."

"Oh my" said the third, "I'd better not go!"
