The Lighter Side !

The school teacher Mr Smith, was telling his class the story of the Prodigal Son. Wishing to emphasize the resentful attitude of the elder brother, he laid stress on this part of the parable. After describing the rejoicing of the household over the return of the wayward son, Mr Smith spoke of one who, in the midst of the festivities, failed to share in the jubilant spirit of the occasion. "Can anybody in the class," he asked, "tell me who this was?" Little Jenny had been listening intently to the story. She waved her hand in the air. "I know!" she said with a great big smile *"It was the fatted calf."*
